

Public Meeting Notice

Update on Investigations and Upcoming Work

Former Tronox/Kerr-McGee Wood-Treatment Facility Springfield, Missouri

Tuesday, February 7, 2017

6:30 to 8:30 p.m.

Fire Station 5 Community Room

2750 W. Kearney Street, Springfield, Missouri 65803

At community meetings in September 2016 and December 2016, the Multistate Trust updated the public about past and ongoing investigations at and around the former Tronox/Kerr-McGee Facility. The Multistate Trust recently performed additional sampling in the neighborhood of the Facility to assess potential vapor intrusion issues.

At the public meeting on Tuesday, February 7, 2017, the Multistate Trust will:

- Share what we learned from recent groundwater and “soil-gas” sampling
- Describe our plans for additional investigations
- Answer your questions

Multistate Trust representatives look forward to meeting with you.
We hope you can join us on February 7th.

If you have questions or concerns, please contact

Lauri Gorton, Multistate Trust, at (414) 732-4514 or lg@g-etg.com.
