

WE NEED AND VALUE YOUR INPUT!
Kerr-McGee Superfund Site, Navassa, NC
Redevelopment Planning Initiative
Please Complete the Navassa Community Survey
By Monday, August 7, 2017

The Multistate Trust is leading an effort to identify feasible, community-supported options for the potential future use of the 251-acre Kerr-McGee Superfund Site.

Please take the Community Survey to help us understand your vision for the future of the Site.

- **What do you want to see happen at the Site?**
- **What kind of development do you think is suitable for the Site?**
- **How can cleanup and redevelopment of the Site benefit Navassa?**
- **What are your ideas for redevelopment of the Site?**

Anyone who lives or works in Navassa, owns a business or other property in Navassa, or is otherwise part of the Navassa community is urged to participate in the survey.

How to Complete the Community Survey

- ✓ **Surveys have been mailed to Navassa area homes.**
- ✓ **Call (540) 846-3163 to have a survey mailed to you.**
- ✓ **Complete a survey at the survey drop box in Navassa Town Hall.**
- ✓ **Take a survey online at multi-trust.org/navassa.**

If you have questions, please contact:

Richard Elliott, Multistate Trust Project Manager, (617) 953-1154 or re@g-etg.com
